This is to advise you of the microphone and wire tap coverage that we have afforded Martin Luther King, Jr., President, Southern Christian Leadership Conference.

As you are aware King has been in close association with individuals having Communist Party backgrounds since his rise to prominence in the civil rights field. Among such individuals is his principal advisor Stanley Levison, a long-time secret communist whose membership in the Communist Party, USA, has been established as late as July, 1963. Clarence Jones, another close advisor to King, was a former member and in a position of leadership in the Labor Youth League, a communist front organization. Bayard Rustin, another of King's close advisors, was a member of the Young Communist League in the early 1940's and is an admitted homosexual.

On October 10, 1963, Attorney General Robert F. Kennedy approved technical surveillances on King's current residence or at any further address to which he may move. He also approved the technical surveillance of the Southern Christian Leadership Conference New York City Office or any other address to which it may be moved.

A wire tap was installed on King's residence, 563 Johnson Avenue, Northeast, Atlanta, Georgia, on November 8, 1963, and discontinued on April 30, 1965, when King moved from this address. It was not reinstituted on his new residence.

From October 24, 1963, to January 24, 1964, and from July 7, 1964, to July 31, 1964, a wire tap was maintained on the Southern Christian Leadership Conference New York City Office. In addition, on October 21, 1963, Attorney General Kennedy authorized a wire tap on the Southern Christian Leadership Conference Headquarters at Atlanta, Georgia, which was maintained from November 8, 1963, to June 21, 1966, when Attorney General Nicholas deB. Katzenbach ordered it discontinued since he thought it might be prejudicial to the possible prosecution of Hosea Williams, a Southern Christian Leadership Conference official, under Interstate Transportation of Stolen Motor Vehicles Statutes.

Memorandum to Mr. W. C. Sullivan
RE: MARTIN LUTHER KING, JR.
100-106670

In addition to the foregoing we maintained 16 microphones and 4 wire taps of a few days duration at various hotels and one temporary residence. These were installed because of the possibility of a meeting between King and his communist advisors. The 4 wire taps were installed under the original authority given by the Attorney General on 10/10/63 concerning King's residences.

Attorney General Katzenbach was specifically notified of three of these microphone installations. In each of these three instances the Attorney General was advised that a trespass was involved in the installation.

In addition, concerning microphone coverage of King, Attorney General Robert F. Kennedy was furnished the pertinent information obtained, perusal of which would indicate that a microphone was the source of this information.
